### \*\*\* Special Patient Instructions \*\*\*

- QR Code links to Google Maps
- Please Bring ALL Billing Information and Valid ID.
- Please plan to arrive 15 minutes before your exam time to fill out paperwork. Should you be more than 15 minutes late, we may need to reschedule your appointment. Should you need to reschedule or cancel your appointment, please do so at least 24 hours prior to your scheduled appointment time.
- If possible, dress in comfortable clothing. For MRI exams, try to avoid wearing clothing with metal wires, buttons, belts or zippers. If not, you may be asked to change into a gown before your exam.
- Although you will be provided a locker, please avoid bringing valuables to your appointment. Contact our office or your referring physician as soon as possible if you maybe pregnant, are claustrophobic, have a pacemaker or other mechanical/ metal implant.
- Please bring any prior exam reports or images if a comparison is needed.
